15 state or federal law.

16 (2) Each institution of higher education shall develop a system of
17 personal identifiers for students to be used for grading and other

5 board for community and technical colleges, shall submit a report to
6 the legislature by December 1, 2001, outlining the institution's
7 personal identifier system.

8 NEW SECTION. **Sec. 4.** Each institution of higher education shall
